### FACILITY STAFFING

#### GENERAL INSTRUCTIONS

This form requires you to identify whether certain services are provided and to specify the number of hours worked providing those services. Column A requires you to enter "yes" or "no" about whether the services are provided onsite to residents, onsite to nonresidents, and offsite to residents. Columns B-D requires you to enter the specific number of hours worked providing the service. To complete this section, base your calculations on the staff hours worked in the most recent complete pay period. If the pay period is more than 2 weeks, use the last 14 days. For example, if this survey begins on a Tuesday, staff hours are counted for the previous complete pay period.

**Definition of Hours Worked** - Hours are reported rounded to the nearest whole hour. Do not count hours paid for any type of leave or non-work related absence from the facility. If the service is provided, but has not been provided in the 2-week pay period, check the service in Column A, but leave B, C, or D blank. If an individual provides service in more than one capacity, separate out the hours in each service performed. For example, if a staff person has worked a total of 80 hours in the pay period but has worked as an activity aide and as a Certified Nurse Aide, separately count the hours worked as a CNA and hours worked as an activity aide to reflect but not to exceed the total hours worked within the pay period.

## **Medicare Certification Communication with Persons Who Are Limited English Proficient**

Please note that documents in PDF format require [Adobe's Acrobat Reader](#).

In certain circumstances, the failure to ensure that Limited English Proficient (LEP) persons can effectively participate in, or benefit from, federally-assisted programs and activities may violate the prohibition under Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d, and the Title VI regulations against national origin discrimination. Specifically, the failure of a recipient of Federal financial assistance from HHS to take reasonable steps to provide LEP persons with a meaningful opportunity to participate in HHS-funded programs may constitute a violation of Title VI and HHS's implementing regulations. It is therefore important for recipients of Federal financial assistance, including Part A Medicare providers, to understand and be familiar with the requirements.

##### **§80.3 Discrimination prohibited.**

- (iv) Restrict an individual in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service, financial aid, or other benefit under the program;
- (v) Treat an individual differently from others in determining whether he satisfies any admission, enrollment, quota, eligibility, membership or other requirement or condition which individuals must meet in order to be provided any service, financial aid, or other benefit provided under the program;
- (vi) Deny an individual an opportunity to participate in the program through the provision of services or otherwise or afford him an opportunity to do so which is different from that afforded others under the program (including the opportunity to participate in the program as an employee but only to the extent set forth in paragraph (c) of this section).
- (vii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under any such program, or the class of individuals to whom, or the situations in which, such services, financial aid, other benefits, or facilities will be provided under any such program, or the class of individuals to be afforded an opportunity to participate in any such program, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting individuals to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program

as respect individuals of a particular race, color, or national origin.

##### **45 CFR Part 84§84.7 Designation of responsible employee and adoption of grievance procedures.**

(a) *Designation of responsible employee.* A recipient that employs fifteen or more persons shall designate at least one person to coordinate its efforts to comply with this part.

(b) *Adoption of grievance procedures.* A recipient that employs fifteen or more persons shall adopt grievance procedures that incorporate appropriate due process standards and that provide for the prompt and equitable resolution of complaints alleging any action prohibited by this part. Such procedures need not be established with respect to complaints from applicants for employment or from applicants for admission to postsecondary educational institutions.

Go to [45 CFR Part 84](#) for the full regulation.

### **Policy Example**

The following procedure incorporates appropriate minimum due process standards and may serve as a model or be adapted for use by recipients in accordance with the Departmental regulation implementing Section 504 of the Rehabilitation Act of 1973.

#### **SECTION 504 GRIEVANCE PROCEDURE**

It is the policy of **(insert name of facility/agency)** not to discriminate on the basis of disability. **(Insert name of facility/agency)** has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) or the U.S. Department of Health and Human Services regulations implementing the Act. Section 504 states, in part, that "no otherwise qualified handicapped individual...shall, solely by reason of his handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance..." The Law and Regulations may be examined in the office of **(insert name, title, tel. no. of Section 504 Coordinator)**, who has been designated to coordinate the efforts of **(insert name of facility/agency)** to comply with Section 504.

Any person who believes she or he has been subjected to discrimination on the basis of disability may file a grievance under this procedure. It is against the law for **(insert name of facility/agency)** to

retaliate against anyone who files a grievance or cooperates in the investigation of a grievance.

**Procedure:**

- Grievances must be submitted to the Section 504 Coordinator within **(insert time frame)** of the date the person filing the grievance becomes aware of the alleged discriminatory action.
- A complaint must be in writing, containing the name and address of the person filing it. The complaint must state the problem or action alleged to be discriminatory and the remedy or relief sought.
- The Section 504 Coordinator (or her/his designee) shall conduct an investigation of the complaint. This investigation may be informal, but it must be thorough, affording all interested persons an opportunity to submit evidence relevant to the complaint. The Section 504 Coordinator will maintain the files and records of **(insert name of facility/agency)** relating to such grievances.
- The Section 504 Coordinator will issue a written decision on the grievance no later than 30 days after its filing.
- The person filing the grievance may appeal the decision of the Section 504 Coordinator by writing to the **(Administrator/Chief Executive Officer/Board of Directors/etc.)** within 15 days of receiving the Section 504 Coordinator's decision.
- The **(Administrator/Chief Executive Officer/Board of Directors/etc.)** shall issue a written decision in response to the appeal no later than 30 days after its filing.
- The availability and use of this grievance procedure does not prevent a person from filing a complaint of discrimination on the basis of disability with the U. S. Department of Health and Human Services, Office for Civil Rights.

**(Insert name of facility/agency)** will make appropriate arrangements to ensure that disabled persons are provided other accommodations if needed to participate in this grievance process. Such arrangements may include, but are not limited to, providing interpreters for the deaf, providing taped cassettes of material for the blind, or assuring a barrier-free location for the proceedings. The Section 504 Coordinator will be responsible for such arrangements.

## **Medicare Certification Age Discrimination Act Requirements**

Please note that documents in PDF format require [Adobe's Acrobat Reader](#).

The Office for Civil Rights (OCR) of the Department of Health and Human Services (HHS) has the responsibility for the Age Discrimination Act as it applies to Federally funded health and human services programs. The general regulation implementing the Age Discrimination Act requires that age discrimination complaints be referred to a mediation agency to attempt a voluntary settlement within sixty **(60)** days. If mediation is not successful, the complaint is returned to the responsible Federal agency, in this case the Office for Civil Rights, for action. OCR next attempts to resolve the complaint through informal procedures. If these fail, a formal investigation is conducted. When a violation is found and OCR cannot negotiate voluntary compliance, enforcement action may be taken against the recipient institution or agency that violated the law.

The Age Discrimination Act permits certain exceptions to the prohibition against discrimination based on age. These exceptions recognize that some age distinctions in programs may be necessary to the normal operation of a program or activity or to the achievement of any statutory objective expressly stated in a Federal, State, or local statute adopted by an elected legislative body.

### **Applicable Regulatory Citations:**

#### **45 CFR Part 91: Nondiscrimination on the Basis of Age in Programs or Activities Receiving Federal Financial Assistance From HHS**

##### **§ 91.3 To what programs do these regulations apply?**

- (a) The Act and these regulations apply to each HHS recipient and to each program or activity operated by the recipient which receives or benefits from Federal financial assistance provided by HHS.
- (b) The Act and these regulations do not apply to:
  - (1) An age distinction contained in that part of a Federal, State, or local statute or ordinance adopted by an elected, general purpose legislative body which:
    - (i) Provides any benefits or assistance to persons based on age; or
    - (ii) Establishes criteria for participation in age-related terms; or
    - (iii) Describes intended beneficiaries or target groups in age-related terms.

#### **Subpart B-Standards for Determining Age Discrimination**

##### **§ 91.11 Rule against age discrimination.**

The rules stated in this section are limited by the exceptions contained in §§91.13 and 91.14 of these regulations.

- (a) General rule: No person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity receiving Federal financial assistance.
- (b) Specific rules: A recipient may not, in any program or activity receiving Federal financial assistance, directly or through contractual licensing, or other arrangements, use age distinctions or take any other actions which have the effect, on the basis of age, of:

- (1) Excluding individuals from, denying them the benefits of, or subjecting them to discrimination under, a program or activity receiving Federal financial assistance.
- (2) Denying or limiting individuals in their opportunity to participate in any program or activity receiving Federal financial assistance.
- (c) The specific forms of age discrimination listed in paragraph (b) of this section do not necessarily constitute a complete list.

**§ 91.13 Exceptions to the rules against age discrimination: Normal operation or statutory objective of any program or activity.**

A recipient is permitted to take an action, otherwise prohibited by § 91.11, if the action reasonably takes into account age as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity. An action reasonably takes into account age as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity, if:

- (a) Age is used as a measure or approximation of one or more other characteristics; and
- (b) The other characteristic(s) must be measured or approximated in order for the normal operation of the program or activity to continue, or to achieve any statutory objective of the program or activity; and
- (c) The other characteristic(s) can be reasonably measured or approximated by the use of age; and
- (d) The other characteristic(s) are impractical to measure directly on an individual basis.

**§ 91.14 Exceptions to the rules against age discrimination: Reasonable factors other than age.**

A recipient is permitted to take an action otherwise prohibited by § 91.11 which is based on a factor other than age, even though that action may have a disproportionate effect on persons of different ages. An action may be based on a factor other than age only if the factor bears a direct and substantial relationship to the normal operation of the program or activity or to the achievement of a statutory objective.

**§ 91.15 Burden of proof.**

The burden of proving that an age distinction or other action falls within the exceptions outlined in §§ 91.13 and 91.14 is on the recipient of Federal financial assistance.
